Bulletin – Term 3 week 12 Friday 13th July 2018

Well here we are...one week to go before the end of the term and the whole school year, and what a successfully and generally brilliant week it has been in school.

It goes without saying that my highlight has very much been seeing the Year 5 and 6 pupils in action in their summer performance. 'Panto Pandemonium' was funny, entertaining and extremely enjoyable. I was very impressed and proud of the cast and supporting staff team, led by Mrs Longfield for their efforts and overall performance. Year 5 really supported the Year 6 pupils well. So many of the Year 6 team stepped up to the mark and definitely stretched themselves. I was very impressed by the general team effort from the majority of the cast

Like all schools around the country we received our KS2 National Curriculum test data and results this week. We are delighted with the picture overall and look forward to sharing that in more detail with the Year 6 children and parents today and next week, with the school reports. Congratulations to all of our year 6 children on their achievements – we are very proud of you! I will of course share more information about this pleasing picture with the whole school community moving forward.

As I write this I am very much looking forward to our local MP Nigel Adams (who Year 5 enjoyed meeting and discussing issues with in the Houses of Parliament in May) visiting Carlton in Snaith CPS and officially opening our exciting new development 'Collaboration Corner'. More to follow in our Celebration Newsletter that you will be receiving next week.

Staffing update:

I am delighted to announce that we have successfully appointed a new member of the teaching team this week. We welcome Miss Watling to the Carlton team – she joined us for our move up day today and will be in school next week too. I'm very excited and pleased with this outcome.

Classes for next year:

As mentioned previously we are remaining a 6 class school for the next academic year and our 5 existing classes (other than the current Year 6 who are obviously heading to their respective high/secondary schools) will stay together as they are this year, for the next academic year.

Today, Friday the 13th, we held our first of two 'Move up' mornings when children found out and met their teachers for next year. We also shared the new names of the classes, with a tree theme this time round. They are as follows:

September 2018 Class Names and Teachers		
Oak	Mrs Smith	Reception
Ash	Miss Watling	Y1
Beech	Mrs Burton	Y2&3
Elm	Mr Brooks	Y3&4
Pine	Mrs Whisker	Y5&6
