(With Mrs Mackintosh)
Ma famille

Science

Earth and Space

- I can describe the earth as a sphere that spins on its axis
- I can describe how seasons change over a year
- I can describe and name the planets in the solar system
- I can describe how the moon changes in our night sky

Light

- I recognise that light appears to travel in straight lines
- I can use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- I can explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- I use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them

History & Geography

- Vikings Where did the Vikings come from?
- Where did the Vikings travel to?
- Was it a hard life being a Viking?
- How could Vikings sail so far so easily?
- Was life as a Viking in 1035AD the same as life in 793AD?
