Warm Wishes and welcome!

On behalf of the school team I would like to wish a Happy New Year to you all! I hope you had a brilliant Christmas and enjoyed some special family time with your brilliant children.

Welcome back to the new term - here's to another super one for everyone connected to Carlton in Snaith CPS! A special welcome too to the three new children and families who have started with us this week – welcome aboard the good ship Carlton!

The children have returned in generally good spirits even if it has been a little challenging for them (and the staff) re-adjusting to the routine of getting up early! It has been great catching up with so many of them this week.

Generous Support:

I would like to say **Thank you to the Elizabeth Fisher Charity** who, once again, gave our school a significant financial contribution just prior to the Christmas holidays. We are extremely grateful! This money will be spent wisely on positively improving our school for the children. THANK YOU!

Homework feedback

If you haven't already done so, please could you complete our **parent questionnaire** about your view on homework. I would be extremely grateful if you could take approximately one minute answering these 5 short questions, 4 of which are multiple choice, to give us some feedback on our current homework arrangements.

In 24 hours we have already had a super response so far, THANKS! We value your feedback and view point, as we look to further improve what we do!

Clubs

Staff once again will be volunteering their time to offer a range of clubs. More information will follow about this in the next few weeks. The externally run after-school, Doncaster Rovers football Club starts next week (Tuesday 15th January) for KS2 children. Please liaise with the school office if you would like your child to take part in this.

Carlton Owls - Breakfast club

Reminder that places are available to join our Breakfast Club provision. Mrs Chiverton's Carlton Owls are a happy and welcoming bunch! Morning provision is in place from 7.30am until 8.50am, for the start of school, with breakfast being provided at the club. Please contact the school office for further information.

Reminder re Uniform:

Please ensure that all uniform is named. We have far too much lost property (including single shoes!) regularly left in school. We cannot return it if it is not labelled. Please help us to help you!

Thanks as always for your support. Here's to a brilliant term ahead!

Kind regards

Jon Watson
