4. Interviews for another teacher are taking place on Thursday. There was a good range of applicants.
5. Incorrect lunch orders – JW is monitoring this.
6. Homework – concerns raised about different holiday homework. Range of 'Family projects' (if set) to be varied. Homework between split year groups also to be monitored.
7. Classes next year? This is being planned now. All options are being considered.
8. Class 6/5 have not been on a trip this year? Review after SATs.

12. Parents on recent trips? If places are available for parent volunteers this will be included in the trip letter.
13. Clubs – although it is appreciated that clubs involve staff donating time and resources it was asked if a wider range of clubs could include science/construction/den building.
14. Door opening late? Doors should open at 8.50. JW to monitor.
15. Robinwood – highlighted as a positive experience for everyone. Collection of pupils following trips to be reviewed.
